The purpose of Scout Camp is what happens inside the campers. What they take home with them in their memories, in their new purposes, in their improved or newly acquired skills, in their friendships, in their appreciations. It is the mission of the Boy Scouts of America to serve others by helping to instill values in young people and in other ways to prepare them to make ethical choices over their lifetime in achieving their fullest potential. The values we strive to instill are based on those found in the Scout Oath and Law.
