

JOSEPH MALEY FOUNDATION 5K RUN, WALK, ROLL

Please join us on Saturday, July 13 at Eagle Creek Park for the Fifth Annual Joseph Maley Foundation 5K Run, Walk, Roll Serving Children of All Abilities. Participants can elect to compete in the chip-timed five-kilometer race or enjoy an untimed two-mile walk. Individuals who are in wheelchairs are eligible to participate in either course (hence the "roll" in our event name). Participants and fans also enjoy a host of activities on site, including live music, a kiddie dash, and face painting. Some of our youngest guests at the 5K complete the course in a stroller or wagon (even more "rolling").

In addition to fostering a community of individuals of all abilities, the 5K is the principal annual fundraiser for the Joseph Maley Foundation. The work of JMF is to build acceptance of all individual through our programs that engender compassion and respect for the diversity of life in support of our mission, "serving children of all abilities."

Registration is currently available online at www.josephmaley.org/5k-registration/. Please contact Maggie Mestrich, 317.432.6546 if you have any questions.
