Venturing 2012 TRAININGS

- **Venturing Youth Protection Training -** Youth Protection Training is required for all registered Venturing advisors. At all times, youth safety is the number one priority. At the same time, adults need to know the rules for keeping themselves safe, too. Comprehensive Youth Protection Training teaches all the do's and don'ts of working with youth. All trainings will be from 6-8 p.m. at the Golden-Burke Scout Center in Indianapolis. Register online for all trainings at: http://cacventuringyp.eventbrite.com/.

  May 17 - August 16 - November 15

- **Venturing Leader Specific Training -** This six hour training is for all Venturing crew advisors, their assistants, Venturing crew committee chairs and members of the committee. Topics covered include understanding youth, resources and program planning, recognition and how to do a Program Capability Inventory. Times will vary, and trainings will be held at the Golden-Burke Scout Center in Indianapolis. Register online for all trainings at: http://cacventspecific.eventbrite.com/.

  May 6 - December 15

  Note: Other trainings will be offered by individual districts throughout the year.

- **Kodiak Challenge Course -** Crossroads of America Council will be holding a Kodiak Challenge course this summer at Ransburg Scout Reservation. Kodiak is a leadership training system for Venturers based on the idea that a leader should work through those they lead to achieve goals. You'll learn through outdoor experiences using nature's examples of effective leadership. ICLS training is now mandatory for the Kodiak Challenge, but fear not if you haven't already completed it. We'll be offering an early arrival option for any youth that needs to complete this training before the challenge.
