

BIRD STUDY MERIT BADGE

Over half of the bird species on the Indiana bird list can be found in Eagle Creek Park. The Ornithology Center has the resources you need to locate the birds and learn all about them. Interactive maps and bird lists, life-like exhibits, and a fabulous view of the bird sanctuary make our center a great place to complete your badge. This class will be taught by a park naturalist and a volunteer, both trained merit badge counselors. Binoculars, field guides, and all materials will be provided. Each scout should bring a Bird Study Merit Badge Card (provided by his troop), and a sack lunch. We follow BSA Youth Protection Policies and require that each scout or group be accompanied by an adult. There is no charge for those accompanying scouts. Advance registration is required. Cost per scout: \$8 for one four -hour class.

SUNDAY 10:00-2:00
March 16, April 27, May 18
