2014
Summer Camp
Leader Guide**

Welcome to Camp Krienstein! We're glad that you and your troop have chosen to attend summer camp at Camp Krienstein. The staff will be happy to help you find the adventure of Scouting in western Indiana.

We are excited to bring a great program to you and your Scouts in 2014. We are known throughout the state and the surrounding area as having a quality program. Our staff is outstanding and praised for being helpful. Our first year camper program for Scouts is one of the best in Indiana and is a positive experience for those Scouts who participate in this program. The instruction in the merit badge program is foremost in its field.

There are so many activities to choose from that your Scouts would have to stay all summer to do everything. As of this writing, we are working on developing new program ideas to make the outdoor summer camp experience more rewarding. Please take the time to look through the pages of this program guide to Camp Krienstein and share the information with your unit's leadership.

Many of your Scouts are looking to advance in camp. Camp Krienstein is the place to do so. With over 30 merit badge offerings to choose from, there is something for everyone from archery to woodcarving. We are making changes at camp, including a new Eagle Quest Shelter and new Scout Skills Shelter, additional platforms in some sites, 20 new tents, and lots of new program equipment.

We are proud of our camps accreditation history; we were fully accredited in 2013 and have been approved for operation again in 2014.

Yours in service to Scouts,

Mark Svarczkopf
Council Camping Chair

WHY CAMP AT KRIETENSTEIN?

The summer camp experience at Camp Krietenstein allows Scouts to share in fellowship and learn from the experiences of other Scouts in a unique way. Camp Krietenstein offers a “hands on” approach, which is an important aspect of Scouting. Interaction between Scouts and staff encourages Scouts to develop their skills and love of the outdoors. Because the staff is some of the best in the Crossroads of America Council and in the country, your Scouts have the opportunity for a great experience at Camp Krietenstein. The greatest reward at Camp Krietenstein will be the lasting memories a Scout will carry with him for the rest of his life.

Camp program opportunities

Krienstein Scout Camp's 177 acres are located near Poland, Indiana, nestled in a scenic Indiana hardwood forest. The camp offers a variety of opportunities for troops, patrols, and individual Scouts.

Camp provides a traditional Boy Scout summer experience with full dining hall service and wall tents on elevated platforms in each campsite. We have an option where units may use their own tents and equipment in selected campsites.

Our provisional Scout program provides the opportunity for individual Scouts and patrols to attend camp if they cannot attend with their troop or they wish to enjoy camp for additional weeks. The camp will assist with providing leadership for these Scouts while they are in camp.

March 2014: 50% of camping fees due by March 7, 2014 for each Scout and adult attending.

May 2014: Full payment by May 2nd for all camping fees required to avoid \$10 per Scout late payment fee.

NOTE: Discounts apply **ONLY** if payments are made **on time**.

Workerships

A strong work ethic and self-reliance is a lesson that Scouting has been teaching for many years. If a Scout is unable to be part of a Scouting event due to lack of funds, he may never learn this lesson. The workership program begins this lesson by allowing Scouts to identify a “good turn” work project for which he could be awarded up to 50% of his camp fee.

Applications are due by May 2nd with projects completed prior to camp.

Workerships are available only for Crossroads of America Council.

Other councils have similar programs for their Scout families.

Refund policy

Camp fees are generally not refundable, other than in the case of hardships or an emergency. In order to be considered for reimbursement, a refund **must be** requested by the unit leadership **during camp**. The \$20 reservation portion of the fee is non-refundable, but is transferable to a new Scout reservation. All refunds will be reviewed following camp and

reimbursement should be completed by September 30th.

Next year's reservations

While at camp, it is possible to reserve a campsite for the following year. A \$100 deposit (5 Scouts @ \$20 each) is required and should be paid to the camp office or at the Council Service Center prior to camp. The \$100 deposit is non-refundable and cannot be rolled over to the next year. Crossroads of America Council troops may make reservations beginning May 1st. Out of council troops may make reservations beginning June 2nd.

Accident & Illness Insurance

All registered Scouts and leaders are covered by an accident and illness insurance policy while participating in or traveling from any Scout sponsored activity, including summer camp. Scouts and leaders must be registered members of the BSA to be covered by the insurance. This is a secondary insurance policy administered by Health Special Risk insurance (HSR). A claim must be filed with HSR within 90 days of the accident or illness. All medical expenses must be filed with the injured person's primary insurance before they can be considered by HSR. This policy generally covers the usual and customary expenses up to \$15,000 per accident; \$7,500 per illness; \$5,000 for dental treatment; and \$6,000 for ambulance service among other benefits. Any expenses beyond these limits are the responsibility of the parent/guardian or dealer. Forms and complete details of this policy can be found at www.crossroadsbsa.org/forms/. Initial questions concerning filing a claim may be directed to the Crossroads of America Council Office Manager, (317) 813-7067.

ALL INJURIES MUST BE REPORTED TO THE HEALTH OFFICER TO INSURE PROPER DOCUMENTATION AND TREATMENT.

Out of council troops attending our camp will need to show proof of insurance when arriving on Sunday. If you do not have insurance coverage, you are welcome to purchase a special policy during your week of camp for only \$8.00 per Scout /leader/week. Please see the camp business manager when you check in.

Camp policies

At Krietenstein Scout Camp, the Scout Oath and Law are our guiding principles. We expect each leader to provide the guidance within the troop to follow these principles, the policies of Krietenstein Scout Camp, the Crossroads of America Council and the Boy Scouts of America.

- **FIREARM RESTRICTION:** Camp will provide rifles, shotguns, ammunition, bows and arrows at the shooting sports ranges. If a Scout wishes to bring his own shotgun (20 gauge single shot), it must be approved and checked-in with the Shooting Sports Director upon arrival in camp. *That Scout alone will be allowed to use the shotgun.*
- **ALCOHOLIC BEVERAGES AND ILLEGAL DRUGS:** Alcoholic beverages and illegal drugs are not permitted in Scout camp. Possession or use of them on camp property will be cause for removal from camp.
- **SMOKING:** Smoking is prohibited except in designated areas. The goal of this policy is to keep smoking away from Scouts. All buildings are smoke free environments. Smoking outside the entrance or exit of any building is not permitted. In addition, all campsites should be on a smoke-free basis. A designated smoking area is available in the Tin Can.
- **VEHICLES:** Vehicles are not permitted in campsites. Vehicles should be parked only in the main parking lots. One vehicle will be allowed to make one trip to the campsite to deliver and remove troop and personal gear at check-in and checkout. **Please note that BSA Policy does not allow any individual to be transported in the back of any pick-up truck or trailer.**
- **PERSONAL ITEMS:** The camp is not responsible for lost or stolen items. If such an unfortunate event occurs, it is recommended that a police report be filed for insurance purposes.
- **FUEL:** All fuels must be kept locked. The camp commissioners can assist with this service. Remember that any type of open flame is not permitted in any tent.
- **YOUTH PROTECTION:** We adhere to all youth protection provisions of the Boy Scouts of America. Two-deep leadership is required at all times. Please remember that leaders and Scouts cannot sleep in the same quarters and that mixed genders are not allowed to tent together. Exceptions are a parent/son or married couple.
- **MEDICATION:** All prescription medication must be stored at the health lodge in its **original container**. Inhalers, EPI pens and heart medications will be kept by the Scout or leader at the

discretion of the health officer. Over-the-counter medications will not be allowed in camp unless they are prescribed by a physician. After Saturday breakfast, it is the responsibility of the unit leader to pick-up unused medications that were brought to camp.

- **PERSONAL TENTS:** Personal tents must meet the Boy Scout standard of 30 square feet of sleeping space per Scout. Personal tents should also have a “NO FLAMES IN TENTS” sign affixed to them. The signs are available from the camp office.
- **VISITORS:** All visitors should check in with the camp office when coming into camp and check out when leaving (except Wednesday night).
- **LEAVING CAMP:** If you plan to leave camp, please sign in and out at the camp office.
- **PETS:** No pets in camp please.
- **HAZING:** The Scout Oath and Law are the accepted code and constant guide to all relationships within camp. The staff members are interpreters of the spirit of Scouting, as well as the skills of Scouting outdoor programs. A camper shall not be deprived of food or sleep; be placed alone without adult supervision, observation or interaction; be subjected to ridicule, threat, corporal punishment, excessive physical exercise, or excessive restraint.
- **CAMPER RELEASE POLICY:** Campers will only be released early from camp to custodial parents. Release to others must be communicated in writing in advance, with troop leader’s knowledge. Parents must indicate in writing that the Scout will be leaving with and the time and day of departure. **FOR THE SCOUT’S SAFETY, SCOUT MASTERS MUST ESCORT THE SCOUT TO THE CAMP OFFICE AND SIGN THE SCOUT OVER TO THE APPROVED PERSON(S).**
- **BOATS:** There is no access to Lake Malone for personal boats at camp. If you have your own boat and would like to take your troop on an activity in it, you must discuss your plans with the camp directors.
- **PHYSICAL FORMS:** Every youth attending a camping program and every adult responsible for youth supervision must bring a completed Annual Health and Medical form with them to camp. Adults who are spending more than 72 continuous hours in camp or who are participating in activities must have a completed Annual Health and Medical form. *Parental signatures must be updated annually.*
- **PAY PHONE:** A phone is located at the camp office for leader

use or for Scouts who have a leader present. Many times, homesick Scouts try to use the phone without the knowledge of an adult leader. Please keep an eye on them.

PERSONAL TRANSPORTATION VEHICLES:

VEHICLES: Individuals with disabilities desiring to bring a golf cart type vehicle to camp must apply for a permit through the Crossroads of America office prior to arriving at camp.

PLEASE REVIEW THE “GUIDE TO SAFE SCOUTING” FOR ALL SAFETY POLICIES (available on the website)

Sunday check-in

Sunday check-in will begin at 1:00pm. The camp check in process will include unloading of gear, medical checks, dining hall orientation, a tour of camp, and a swim test. A schedule has been developed to try and reduce the amount of time each troop will spend at each stop, as there are many things to accomplish on this day. Your guide will be the key staff member responsible for keeping your troop on this schedule.

Move into your campsite with your gear and unload necessary equipment. Remember that only one vehicle per troop will be allowed to go into your campsite to unload heavier gear. All vehicles have to be moved out to the main parking lots for the remainder of the week.

As soon as possible, change into your swimming suits and shoes, grab a towel and be prepared to move to the health lodge (below dining hall) for medical checks *at your unit's reserved time*. **Do not go to the health check station earlier or later than assigned time.** Be sure you have all medical forms and medications along. These should be in alphabetical order and ready to turn in at the health check station. This will also be the time to make any changes in merit badges your Scouts have signed up for so be prepared for this opportunity.

Sunday schedule

Time	Activity
1:00 pm - 3:00 pm	Arrival & health check- in. Begin unit registration & check in procedures.

Saturday departure

A continental breakfast will be served Saturday in the dining hall. Remember that another troop will be using the campsite after you have left, so please be courteous to your fellow Scouts and leave the campsite in good condition.

There is no provision for 2nd week campers to stay over on weekends, so if a Scout is staying for a second week of camp please make sure he is picked up on Saturday and returned on Sunday.

Visitors

Parents and families are always welcome at Krietenstein Scout Camp. Please register in the camp office upon arrival. The campfires held on Wednesday and Friday evenings are two excellent times for visitors. If a visitor is going to be in camp and desire to eat a meal they can purchase a meal ticket at the trading post at a cost of \$20.00 per day. **Please let us know two days in advance** so we can ensure there is room for your guests. *(This includes extra adults staying for supper on Sunday night.)*

Krietenstein Scout Camp wisdom

Krietenstein Scout Camp has been providing a summer home for Scouts for over 80 years. Here are a few things that might help you with your stay in camp.

1. Uniforms are required for evening flag ceremonies, evening meals and evening campfires.
2. Be prepared for camp. Check equipment needs before coming. Have your patrols organized and participate in camp honors program.
3. Take time to enjoy the beauty of our camp and the many trails winding through our 177 wooded acres.
4. Show troop spirit! Bring your troop flag and proudly display it at flag ceremonies! The troop that comes to camp with ideas and spirit challenges the rest of camp to come alive.
5. Our outstanding staff tries to do its best to serve every Scout. Please let us know how we can meet your needs.
6. If you have a special need or want to do something spectacular, tell us about it and we will give it our best shot.
7. It is unfortunate when someone loses something of value. Please have

a plan for storing valuables.

8. **Pace yourself** - especially if the weather is extremely hot. Plan on carrying a canteen of water and use it.
9. **Communicate** - if you have a special need or want to do something spectacular, or need a problem solved, let us know and just maybe we can help.
10. Unit leaders should bring some type of lockable device to camp to secure the troops valuables.
11. Advise your Scouts to leave their valuables at home or secured with the unit leadership. Watches, spending money, etc., should not be taken to the central shower area, lakefront, or left on your bunk in your campsite.
12. **BE FLEXIBLE!** Each week there are many Scouts in camp who are lost, so-to-speak. While the staff is here to try to meet the needs of everyone, we just cannot be everywhere for everyone.
13. One last thing. We want to make our camp the **BEST** in Indiana. We cannot do that without your help. If you have any suggestions, write it down and pass it on to the camp administration. We'll be glad to listen to you and your ideas.

Troop photographs

Troops will have the opportunity to take a troop photograph in front of either the flagpoles or totem poles at their own decision. The leaders will schedule when they will have their pictures taken with the program director or camp director. The photographs will be emailed to the leaders when complete.

Mail

Parents and family members are encouraged to send a letter or a package to camp. They should allow at least three days delivery time. Items arriving after Scouts departure will be returned to sender. Packages and letters **MUST BE** addressed in the following manner:

Campsite/ Troop Number/Scout's Name

**Krietenstein Scout Camp
6445 East Co. Rd. 575 North
Centerpoint, Indiana 47840**

**Camp Krietenstein Emergency
Phone Number (812) 986-2300**

NOTE: Every year Scouts receive mail from family and friends that must be returned to sender because the troop number is missing from the address. Please go over these procedures with parents and family members.

Equipment needs

Krietenstein Scout Camp provides quality equipment and a prepared campsite for each troop in camp. It is important to complete the equipment request and return it to Krietenstein Scout Camp at least **two weeks in advance** of your stay in camp. This will allow us to prepare your campsite prior to your arrival.

Each campsite is fully equipped with the following items:

1. Wall tents on elevated platforms to allow for good air circulation
2. Mattresses
3. Dining fly
4. Picnic table
5. Latrine with running water, toilet paper, and cleaning supplies
6. Shovel, rake, broom and hose available at the latrine
7. Additional equipment is available to be checked out from the camp Commissioner

Damaged equipment

Scouts are expected to take care of all equipment they use. Sometimes, however, equipment is damaged and it needs to be replaced or repaired. If equipment is misused by the troop, the cost of any damaged equipment needs to be settled before the troop leaves camp on Saturday. Damages to equipment should be reported to the Quartermaster or Commissioner.

Environmental statement

The Boy Scouts of America cares about our environment. All Scouts and leaders are charged to protect and respect our environment, especially while at camp. Help us keep your camp clean by:

1. **RECYCLING:** Reduce the use of all paper, Styrofoam, and plastic. Reuse and recycle all materials. For your convenience, aluminum can recycling containers are available in various areas of camp.
2. **LOW IMPACT CAMPING:** Respect nature. Be gentle to your campsite. Take trash with you and put it in proper containers. Stay on trails to maintain a natural camp setting.
3. **HIKING:** Respect the outdoors and follow the outdoor code.

Food service

Krietenstein Scout Camp has employed exceptional food service personnel to provide quality meals for Scouts and leaders. A licensed dietician has reviewed the menus for balanced nutrition.

In the event that you wish to invite guests to dine with your troop at camp, meal tickets can be purchased at the office. **Please purchase these tickets two days prior to the arrival of your guests.**

Special dietary needs

We want your stay to be enjoyable at camp. If Scouts and leaders need special meal substitutes because of dietary restrictions, please notify the camp office TWO WEEKS prior to your troops arrival.

Wednesday night meal

Wednesday nights at Krietenstein Scout Camp are traditionally "Family Night". For this reason, meals are not served in the dining hall. It is important for each troop to make plans for an alternate source of food for the Wednesday night meal. Some troops over the years have chosen to order pizza from town and others have chosen to cook in their campsite. Other troops use this as an opportunity for parents to bring "carry-in" favorites for the Scouts.

Special arrangements can also be made to support those who wish to cook in their campsite. If you are planning to cook in your campsite on Wednesday night and need help getting the food you need, send a copy of your menu at least 30 days in advance so we can be sure to have supplies in stock. A nominal fee will be charged for food from the dining hall.

Troop leadership

Leader meetings

There will be an important troop leader meeting for SPL and SM on Sunday at 8:00 pm. Scout master meetings are held Monday - Friday after breakfast on the dining hall porch. Each troop should have a leader present to receive all necessary information for the day's program. SPL meetings are daily at 8:30 am.

Scout leader services

Krietenstein Scout Camp offers leaders opportunities to learn and to have some fun while at summer camp. We will always have fresh coffee, Scouting-related information and comfortable chairs in the Scout Leader's

Lounge. Special training subjects will also be available as scheduled with adults.

Adult leader activities

During your week at camp, qualified members of the staff will offer adult training in Youth Protection, Safe Swim Defense and Safety Afloat, CPR (if available), Climb on Safely, Trek Safely, Outdoor Leader Skills, Scout master Specific, Troop Committee Challenge, This is Scouting, Paddle Craft, Orienteering instruction, Swimming and Water rescue, and Leave no Trace training. Participate in Staff/Scout Leader challenges or enjoy a friendly game of horseshoes.

Leader role

A teacher, a listener, a motivator, a disciplinarian, these are just a few roles of a Scout leader. In camp, this is only amplified. Thus it is required that every troop have at least two adult leaders (at least one must be 21 years of age) in camp at all times. Though a leader's role in camp is probably the most challenging, it is also the most rewarding. The staff at Krietenstein Scout Camp understands the challenge and the reward, so we are always willing to help when needed.

Trading Post

The Krietenstein Scout Camp trading post provides a full selection of souvenirs, Scouting items and snacks for sale during your stay. The following is a list of some of our available items:

- Bagged ice
- Krietenstein Scout Camp mugs and camp T-shirts.
- Scout knives (must have Totin' Chip), flashlights, hot sparks (must have Firem'n Chit) and many other Scout items.
- Craft kits, merit badge pamphlets, songbooks, handbooks.
- Scout socks, hats, council strips.
- Snacks (candy, ice cream, chips) and drinks.
- Batteries, soap, tooth brush, tooth paste, insect repellent.
- And lots, lots more for your shopping pleasure!

We suggest that the Scout master or another adult serve as the "banker" during the week. When a Scout needs money he can check it out from the banker. This keeps the Scout from losing his money, can serve as a method of teaching thriftiness, or as part of Personal Management merit badge.

Advancement Opportunities

Here are a few tips concerning the merit badge program at Krienstein Scout Camp:

1. In March or April review each Scout's advancement and help him decide which merit badges he wants to work on at camp. Be sure to review the schedule to avoid conflicts in merit badge scheduled times.
2. Review the requirements of each merit badge with the Scout to see which requirements should be completed before going to camp (pre-requisites).
3. Scouts **MUST** sign up for merit badges before arriving at camp. It is important to use the online reservation site: <https://www.crossroadsbsa.org>-then **to register for training and events.**

To assist leaders with their role in camp, an update of the progress for each Scout's merit badge work will be available twice during

the week. If there are any questions about a Scout's progress a leader should feel free to discuss the question with the appropriate instructor. On Saturday morning, adult leaders will receive merit badge cards for the Scouts in the troop. This is not a "blue card", which is normally used to certify the completion of a merit badge. The camp merit badge card is used so that all of the details of a partial completion are made available to the Scout. When the remainders of the requirements are completed, the camp card can be used to certify the completion of the merit badge at your local service center.

Experience Tells Us

1. Summer camp is **NOT** a merit badge mill, where you pay a fee and get a merit badge automatically. Instead, the camp program offers a merit badge program as a supplement to the overall Scouting program at summer camp.
2. Do your homework ahead of time. Complete the advanced written work at home. Camp is not the ideal classroom where written work can be completed. The prepared Scout will come to camp ready to go and have all the written material completed.
3. The "Eagle Quest" program is designed to help those Scouts advance and gain a better understanding of the Scouting program. Let it work for you and your troop.
4. The first year Scout camper, generally speaking, should try for no more than two merit badges one usually being in handicraft. The rest of their program time should be spent in the Eagle Quest area or working on the Camper rank of Firecrafter.
5. You should plan on a maximum of **five merit badges** per Scout per week, but Scouts can take up to 6.
6. The most difficult merit badges to earn are those requiring a great deal of physical skill, coordination, and stamina. These merit badges are canoeing, lifesaving, swimming, rifle and shotgun shooting merit badges.
7. Scouts should try doing something new at camp and get a well-rounded experience.
8. Plan time for your Scouts and yourself to enjoy the woodlands and the lake or even the wildlife areas of camp.

On-line Reservations/Merit Badge Sign-up

Details will be sent to troops in early to mid-April 2014.

Merit Badges

Merit badges are important at Krietenstein Scout Camp, but keep in mind there are many other activities in camp that are beneficial for Scouts. Sometimes, just “hanging out” in the campsite is just fine for a Scout .

Our advancement opportunities are on the pages that follow. The merit badge sign up is online. We hope that it makes the process easier.

We have qualified staff that holds to the requirements of merit badges as listed in the merit badge pamphlets. Some of our pre-requisites are items that are only written work and can be completed at home prior to camp to make it easier than doing them at camp.

The merit badges listed are as of October 2013. Some changes may need to be made to the list of merit badges or the pre-requisites. A special packet of information will be mailed to all troops who are signed up for camp in early to mid-April with updates to the merit badge listing.

Older Scout programs

Older Scouts (age 13+) in the troop often are the role models and leadership for younger Scouts. It is important that we try and keep these older Scouts interested in Scouting. At Krietenstein Scout Camp, we are aware of this and have a number of programs to try and give younger Scouts something to look forward to, as well as keep older Scouts interested in summer camp:

The Firecrafter Program
Woodcarving Merit Badge
Paddle Craft
Swimming & Aquatics Training
Muzzle Loading
Shotgun Shooting Merit Badge

Eagle Quest

We are excited to offer a program that caters exclusively to the needs of a Scout beginning his trail to Eagle. The Eagle Quest Program is a fast paced, high energy, hands-on area that helps newer Scouts achieve requirements in the Tenderfoot, Second Class and First Class Ranks. Scouts are encouraged to sign up for all three ranks or attend only the classes needed to advance. Our area director will help Scouts decide which sessions to attend if only a few requirements are remaining in a rank.

Totin' Chip, Firem'n Chit, knots, fire building, first aid, compass work, hikes and more await the newest members of your troop in Eagle Quest. The troop has the responsibility for providing program activities that lead to the First Class rank. The council can help by providing the outdoor facility, materials, and staff to assist a troop in their summer camp program delivery.

Daily schedule

9:00 or 2:00	Tenderfoot
10:00 or 3:00	Second Class
11:00 or 4:00	First Class

At the conclusion of your week of camp, a progress report called the “tracking sheet” will be reviewed by each Scout and enclosed in the unit’s checkout packet on Saturday morning. Throughout the week we strongly encourage the unit leader to get involved in the Eagle Quest program and check on the progress of their Scouts.

Firecrafter program

Firecrafter is a camp rank system that recognizes and develops a Scout’s camping skills. In Firecrafter, Scouts will join a camping service organization that started in 1920 at Camp Chank-tun-un-gi (now Belzer Scout Camp). This popular program is unique to the Crossroads of America Council. The desire to be a Firecrafter is often the push a Scout needs to come back to summer camp another year or to give him the added confidence to strive for Eagle and other advancements.

The camp ranks can only be earned at camp. They serve to complement your Scouts’ advancement work. Most of the camp rank requirements are taken directly from Boy Scout rank advancements. Scouts may try for more than one rank during the week, but this is not encouraged.

Camper is the first year program. All first year Scouts and Scouts new to Krietenstein Scout Camp are encouraged to become Campers. The requirements cover camp citizenship, the Scout Oath and law, the origins of Scouting, map and compass, hiking and one hour of camp service. Camper may be completed in the Eagle Quest Area (formerly Woodchip).

Woodsman is the second year program. Campers should be encouraged to become a Woodsman. The Woodsman rank covers camp skills (fire building, knot tying, knife and ax), nature, first aid, leadership and two hours of service. Woodsman may be completed in the Eagle Quest Area (formerly Woodchip).

Firecrafter is the third year program for First Class Scouts and above. While some exceptional Firecrafters have attained it in their first or second year in camp, it is usually the Third Year before a Scout has the physical or emotional maturity to candidate for Firecrafter. The standards for the Firecrafter rank are high and include all areas of Scouting skills. The three most difficult requirements are planning and leading a campfire, building a fire by friction, and the “unknown test” of the Firecrafter Ritual, which takes place after camp is over.

Minisino is a Miami Indian word meaning “tried and proven”. A youth is

eligible to be tapped out for Minisino two winter seasons after becoming a Firecrafter. After a Firecrafter is tapped out he must successfully complete a two-week candidacy at one of the council camps. Only those who are tapped out know its requirements.

Adult Scouters can become Firecrafter members by:

1. Being nominated by their district Firecrafters
2. Approval of the Firecrafter Council Committee
3. Going through the Firecrafter Ritual

If you are not a Firecrafter and are interested in more information, see the Firecrafter Chief, the Firecrafter Coordinator or your District Firecrafter Advisor.

Firecrafter notes

1. Scout masters should monitor the first requirement on each card that covers personal conduct, regard for one's individual camping areas, respect for others and the environment. A daily tent inspection is a good way to let Scouts know that a clean camping is important.
2. For Camper and Woodsman candidates, it is sometimes helpful to set aside specified times to work only on Firecrafter advancement or attend Eagle Quest.
3. A Firecrafter candidate is expected to set his own time schedule. He will need to schedule a campfire with the camp Firecrafter Coordinator who assigns graders for all campfires. Planning his time appropriately is part of the experience.
4. Service projects can be scheduled through Commissioners or the Camp Ranger.
5. All candidates for Camper and Woodsman should complete their requirement cards by Friday evening. Those returning cards to the trading post prior to the camp-wide closing campfire will be recognized at the campfire. Patches and membership cards for Camper and Woodsman are available at the trading post at a cost of \$2.00.

Order of the Arrow

One of the most meaningful experiences in all Scouting is to be elected to the Order of the Arrow. Jaccos Towne Lodge #21 serves the Crossroads of America Council. The Order of the Arrow is a group of honor campers and was established to accomplish several goals:

1. To recognize Scouts who best personify the Scout Oath and Law in their daily actions.
2. To promote Scout camping, to develop and to maintain its traditions and to foster the spirit of Scouting.
3. To focus on the Scouting principle of willing service to others.

Order of the Arrow

Krietenstein Scout Camp has an Order of the Arrow Coordinator, who is responsible for all O.A. ceremonies, elections and promotions. If your troop or individual Scouts are members of a dance or ceremonial team, they are invited to talk to the camp O.A. coordinator about joining in the ceremonies while they are in camp.

Wednesday Family Night is O.A. sash night and then at the conclusion of the Wednesday night campfire, the Order of the Arrow will conduct a “calling-out” ceremony for the entire camp. All newly elected O.A. candidates will be called-out and participate in the call-out ceremony.

Troops from councils outside of the Crossroads of America Council must have a letter from their lodge stating the names of Scouts and Scouters from their troop who have been elected into the Order of the Arrow.

Unit elections *must* be held prior to summer camp.

Hiking opportunities

Nature Hike/Ecology Trail - This trail is set up and maintained by the Ecology staff. It leads to areas abundant in plant species and frequented by wildlife. Identifying markers are located along the Kickapoo trail to draw hikers’ attention to various flora and fauna.

The Eagle Quest Hike - Here’s a great 5-mile trail that includes some of the surrounding countryside around camp. This hike is scheduled for Tuesday morning (weather permitting) and is open to all adults and Scouts.

Baden-Powell Camp

Baden-Powell Camp is a merit badge day camp where Boy Scouts have the opportunity to earn up to six Eagle required and non-required merit badges.
