We now have a great year planned for our pack and we wanted to invite you and any other friends you think you may like to join us at this years events. We have attached the calendar and hope you find some things that you would like to join us for. I also wanted to let you know if you would like to sell popcorn this year if you sell 27 items the whole year other than summer camp would be paid for. Our meetings are [enter time, day and location here.](#)
