

## F.O Belzer Unit Award

The F.O. Belzer Unit Award is recognition of those units that extend to the Webelos Scout the welcome and exposure to the adventure of Boy Scouting. It is a program to ensure that every opportunity is extended to that boy so that he can experience one of the most wholesome and character building opportunities in his formative years. Those eligible for the award are the Transition Team (Scoutmaster, Cubmaster, Webelos Den Leader, Den Chief, liaison, Unit Commissioner). The participating units (dens and troops) can also earn and wear the award.

The F.O. Belzer Unit Award is worn in place of the council strip. The Transition Team and units wear the same award except that the Transition Team Award is edged in red as opposed to the unit award, which is edged in white.
