

VENTURING CAMP @ RANSBURG

We're offering new, exciting experiences for youth 14-21.

COME BE A PART OF VENTURING'S FUTURE

Venturing Camp is full of opportunities for Venturing advancement, exciting adventure, and growth. At Ransburg, Venturing is built for youth 14-21. We want YOU to come out and have a great time!

Whether you are on the quest for your Ranger award or just want to have a good time, our Venturing camp is a great place to be. Activities may include: pistol shooting, horseback riding, advanced cooking techniques, land navigation, Leave No Trace training, cycling, first aid, rock climbing, and much more!

Venturing camp takes place at an outpost camp site located a short drive from our main camp. Facilities include: latrine, shower facility, hot food, and powered shelters. It is a beautiful campsite that few get to experience.

This opportunity is available to all registered Venturers, even lone scouts. Though crew participation is encouraged, it is not mandatory. Venturers interested in attending are encouraged to contact us as soon as possible.

Information on dates and programs is available at www.ransburgbsa.org. The cost of attendance is \$215 for in council Venturers and \$240 for out of council Venturers. Individual Venturers are welcome to attend, as well as full crews! Advisors interested in attending should contact us for a list of fees.

Venturing camp is run on Lake Monroe, Indiana's largest lake. Come out and get wet with us at Ransburg Scout Reservation!
