YOU SPOKE, WE LISTENED!

After listening to input from dozens of focus groups and hundreds of families, the Crossroads of America Council has created a master plan for each of our properties. In the summer of 2019, we began several new projects at our facilities that you asked for, including new campsites, tents, and restrooms at Kikthawenund, a personal watercraft program at Ransburg, and bounce houses at Belzer. The big change, however, is the redeployment of our properties to better serve our families at every level starting in 2020.

Camp Belzer will primarily serve as the day camp for our Lions and Tigers in the Indy metro area. Its program is specifically designed for the boundless energy of our youngest Scouts!

CAMP KRIETENSTEIN

Camp Krietenstein is an overnight camp that serves as a bridge between the family camping of Cub Scouts, and the long-term summer resident camp of the Scouts BSA program. This camp lasts five days, four nights, and is nestled in "covered bridge country" an hour west of Indianapolis. Our experience is specifically designed for Scouts who just completed the Webelos rank and are now working towards their Arrow of Light. These Scouts are ready to be more independent and challenge themselves with new adventures, and we are here to work with dens to do just that!

Registration fees include camping in our beautiful wooded campsites, delicious meals in the spacious dining hall, and a program experience that Scouts in this age group cannot find anywhere else. While Scouts can attend with a parent, this experience is best when the whole den comes to camp.

For more information or to register visit crossroadsbsa.org/camping.
