BUILD AN ADVENTURE

 Scouts do stuff. They build things. Play with purpose. Make friends and work together. Set goals and clear them. They go places. Physically. Mentally. Spiritually. These life-changing experiences — and the confidence they provide — become bricks in the wall of childhood. Bricks that eventually form a foundation. One a Scout can stand on to embrace opportunity and overcome obstacles. For the parents watching in awe, it’s not a question of where their Scout will go, but where won’t their Scout go. Experience all of this at:

CAMP KIKTHAWENUND
IS A BOY SCOUTS OF AMERICA
NATIONALLY ACCREDITED CAMP
Camp Kikthawenund is excited to be the Crossroads of America Councils premier family camp. In addition to our upgraded facilities we are also revamping our program. You can expect many of the same exciting programs that Scouts look forward to every summer with a renewed focus on fun and family.

The family camp style allows us to conduct an open or limited schedule program. This means that rather than having to adhere to a strict schedule of activities you may or may not be interested in, you can do what you want, when you want too with a few exceptions. Most activities will have no start or end time. Some activities such as BB guns and archery we ask that you arrive on the hour or half hour for a safety briefing. Other activities will have specific time such as 7:30 PM for the rocket launch.

**CAMP WIDE EVENTS**

**OPENING CAMPFIRE**
There is no better way to end your first day in camp than with a tremendous campfire put on by the staff. Bring your enthusiasm, energy, and scouting spirit to an evening filled with laughter and fun.

**CLOSING CAMPFIRE**
Finish out your week at Family Camp by getting up on stage and performing. A great opportunity to let each youth Scouting spirit shine in front of the entire camp.

**FLAG CEREMONIES**
Every morning and evening we hold a camp wide flag ceremony. If your family would like to help raise or lower the flag, sign up with the Program Director when you arrive at camp. If you need staff assistance, they are ready to help you out.

**OA/FIRECRAFTER OPPORTUNITIES**
Have a chance to learn about the different service organizations within the Scouts by working on the different awards put on by these organizations.

**CAMP WIDE THEME**
Family Camp incorporates a camp wide theme into many of its programs and events. This theme changes regularly, and families should be prepared to participate in a series of challenges throughout their time at camp.

**MAILING SERVICES**

Incoming and outgoing mail services are provided though incoming mail is discouraged due to the short nature of family camp. In our experience many people depart before mail arrives at camp. Any mail that is sent to campers will be distributed during meal times. Please address any mail as follows so that we can ensure delivery:

CAMPER’S NAME, PACK NUMBER
SESSION NUMBER
CAMP KIKTHAWENUND
7651 W 500 NORTH
FRANKTON, IN 46044

**HEALTH LODGE**

The Health Lodge is located near the main camping area. A qualified Health Officer is on duty 24 hours a day. While camp is in session routine medical needs, and daily medical care are provided during the day. If more advanced care is needed, we attempt to contact and consulted youths’ parent before transporting them to a nearby medical facility. Upon check-in, please notify the Health Officer of any medical conditions or medications being taken by youth and adults.

**LOST AND FOUND**

A lost and found is maintained at the Camp Office. If you have lost an item, check there first. If you have found an item without an owner, bring it to the office so that we can try to find who it belongs to. Any unclaimed items are donated within a month after the end of the summer.
TRADING POST SERVICES
Camp Kikthawenund features a Trading Post fully stocked with a variety of camp supplies. Here, Scouts can obtain products such as Scouting literature, Scouting equipment, handicraft supplies, toiletries, water bottles, clothing, souvenirs, camping gear, and refreshments. The Trading Post will be open beginning the first night after the opening campfire. Throughout the session the Trading Post will be open on a regular basis during program times. On the last morning, the Trading Post will be open for the convenience of parents picking up their Scouts until all units depart. Check the program schedule for specific times.

SPENDING MONEY
We recommend that spending money be brought for purchasing snacks and camp souvenirs. About $12 a day is the national average of spending money brought to camp. How much to bring is a personal decision between the youth and their parents. To help determine how much money to bring to camp, a general price guide is below (prices may be different at camp).

We recommend that an adult serve as the “banker” during the session. When a Scout needs money, they can check it out from the “banker.” This keeps the Scout from losing their money and can serve as a method of teaching thriftiness. Cash and credit cards are accepted at the Trading Post.

MEAL SERVICE
Camp Kikthawenund employs a professional food service management company to provide quality food for Scouts and leaders in the Steak-n-Shake Dining Hall. A licensed dietitian has reviewed the menus for balanced nutrition. Eating all the food provided at each meal will ensure that the scouts have the energy to enjoy camp to its fullest. Each campsite will be asked to provide four “hoppers” for each meal service.
MEDICAL FORMS

The safety of your child and all our campers is our top priority. One aspect of that is for all campers to have a health form on file at camp, this included day camps. The BSA Annual Health and Medical Record (form # 680-001) is required for each youth and adult participant. Part C is not for Family Camp.

Upon arrival at camp, a copy of a current medical form for each youth and adult must be turned in to the medical staff. An attached photocopy of the camper’s insurance card must also be provided as directed by Part A. Due to federal regulations (HIPAA), copies of these health forms should not be faxed to Camp. Copies should also be kept by the pack or parents.

EQUIPMENT CHECKLIST

The following list is provided as an aid, but certainly is not all encompassing. Children should ask parents to assist them.

ARRIVAL AT CAMP

ARRIVING AT CAMP
Plan to arrive between 9:00 AM and 11:00 AM on your first day. Please do not arrive before 9:00 AM, because the staff will not be available to assist you with check-in. Arriving later than 11:00 AM will not allow ample time for check-in, and campsite setup.

Enter camp through the main gate at the north entrance. You will pass the Camp Ranger’s house and continue to the parking lot. Park your vehicle in the lot and unload your camping gear. In the parking lot, staff members will be available to begin your check-in process. Personal vehicles are strictly controlled within main camp.

BUSES
If arriving by bus, please contact the camp director at least 48 hours prior to arrival. Buses should enter through the main entrance and use the large vehicle turn around loop in front of the dining hall.

CHECK IN AT THE WELCOME SHELTER
Once you arrive at the parking lot, you will check-in with an administrative staff member who will assign you to a campsite, answer questions, provide information and collect any additional forms. This staff member will also collect your medical form and if necessary direct you to a secondary medical check with our health officer to check in medication.

CAMPSITE SETUP
A Campsite Host will guide you from the Welcome Shelter to your campsite and will be available to help with set-up, answer any questions, locate any materials or equipment you need, and get to know your Scouts. Once basic setup is completed, your Campsite Host will guide you to our gathering activities at the parade field.
**FIRST MEAL**

Your first meal will be lunch on the day you arrive. Your Campsite Host will start to direct you to the parade field by 11:50 AM if you are not already there for the gathering activities. After lunch there will be unscheduled open program time and scheduled swim checks. Except for your scheduled swim check time you will be free to explore camp, participate in select open program areas with your Scout and family, or simply relax and continue setting up camp.

**SWIM CHECKS**

At check in your assigned campsite will also be given a time for swim checks. After lunch we suggest that you return to your campsite and gather your swim suite and towel for the afternoon. When it is your assigned swim check time you will not need to return to your campsite before going to the pool. Please be on time for your swim check. At the pool, you will receive a safety orientation, complete a swim test, and receive a wristband for your swim classification. If you completed a swim check prior to camp each camper will still need to go to the pool at their assigned time to receive their swim classification wristband.

**LEADER MEETING**

Immediately following dinner there will be a leader/parent meeting while your scouts and family are entertained by our camp staff. At this meeting camp information such as camp policies, special program schedules, and other information will be discussed. This meeting will be held at the welcome shelter or dining hall. The Camp Director, Program Director, Business Manager, Camp Ranger and other key staff will be available at that meeting to answer questions and help meet any needs.

**OPENING CAMPFIRE**

Immediately following the leaders meeting you will meet up with your Scout and be guided to the opening campfire conducted by the staff. Afterward, the Trading Post will be open! Stop by to view the latest merchandise available.

FAMILY CAMP AND ADULT LEADERS

Camp Kikthawenund is designed as a family camp and as such youth should attend with a parent. When this is not possible youth may attend with their den. The minimum leadership requirements for any Cub Scout unit attending an overnight summer camp is a ratio of two adults to a maximum of eight scouts and one additional adult for each four scouts (or part thereof). In addition, if female youth are present, at least one of the registered adults must be female.

FINANCIAL ASSISTANCE

Finances should never be a reason for a Scout not to attend camp. Crossroads of America Council offers a Campership program where recipients can be awarded up to 50% of the early summer camp fee.

Applications can be found at www.crossroadsbsa.org/camping

Eligible camperships are first come first serve until funding is exhausted. Contact the council camping office by phone at (317) 813-7067 or by email at camping@crossroadsbsa.org for more information.
REFUND POLICY

- The $50 non-refundable deposit will be retained in all cases.
- All fees, including the $50 non-refundable deposit, are nontransferable. This includes between attendees within the same registration.
- Cancelations and refund request are only accepted due to medical reason and must be submitted within two weeks after the scheduled session of camp. A doctor’s note is required for refund requests.
- Refunds are processed within six to eight weeks of receipt and are returned to the original payer and in the original form of payment.
- There are no refunds due to weather, unless an entire camp session is canceled by the council.
- All refund requests should be emailed to camping@crossroadsbsa.org
MEDICAL INFORMATION

These policies are set by the National Council of the Boy Scouts of America and the State of Indiana. Compliance with the policies, regarding the completion of the health forms, is mandatory and necessary to maintain the admirable safety record of the Boy Scouts of America. This can be particularly difficult to deal with as available options are limited once you have arrived at camp. Please help us avoid these awkward moments that can diminish the memories of an otherwise worthwhile experience.

The BSA Annual Health and Medical Record (form # 680-001) is required for each youth and adult participant. Part C is not required for camp 72 hours or less. Upon arrival at camp, a copy of a current medical form for each youth and adult must be turned in to the medical staff. An attached photocopy of the camper’s insurance card must also be provided as directed by Part A. Due to federal regulations (HIPAA), copies of these health forms should not be faxed to Camp Kikthawenund. Copies should also be kept by the pack or parents.

MEDICATION POLICY

All medication brought to camp by a person under 18 years of age shall be kept in a locked unit or in the health lodge and shall be administered by a qualified adult leader designated by the camp health supervisor, except EpiPen’s, inhalers, an insulin syringe or other medication or device used in the event of life-threatening situations may be carried by a camper or staff member. Each camper 18 years of age or older may take responsibility for the security of his or her personal medication provide it is store in a locked unit.

All medications brought to camp by a camper shall be in containers that are clearly labeled to include the name of the camper or staff member, the name of the medication, the dosage, the frequency of administration and the route of administration. All medication prescribed by a physician shall, in addition, be labeled to include the name of the prescribing physician, the prescription number, date prescribed, possible adverse reactions, the specific conditions when contact should be made with the physician and other special instructions as needed.

When a medication is administered to a camper, the qualified adult leader designated by the camp health supervisor shall make a record of the action in a bound book provided by Camp Kikthawenund, indicating the following information: name of the person receiving the medication or treatment; ailment; name of the medication or treatment; quantity given; date and time administered; by whom administered; and comments.
INSURANCE

All registered members of Crossroads of America Council are covered by the Council Accident and Insurance Plan. Please keep in mind that this coverage is not intended to replace or diminish the need for family health insurance. BSA insurance provides supplemental coverage only. Special conditions are as follows:

1. Injuries or illness sustained prior to arriving in camp, requiring attention during your stay, are not covered.
2. Every injury or illness must be reported to the Health Lodge immediately to be covered.
3. Medical expenses incurred after camp because of an illness or injury sustained at camp are covered. These must be reported to the Council Service Center for clearance with the insurance provider.
4. Out of council units should check with their home council office to determine plan limits.
5. Unregistered youth, adults, and visitors are not covered by the Crossroads of America Council accident insurance.

FIRES AND FIREWOOD

Campfires are allowed only inside the metal fire rings in each campsite. Do not create new fire scars. Fires may be prohibited due to weather conditions. Camp Kikthawenund has an endless supply of firewood for use during your stay. Keep firewood stacked neatly to minimize safety hazards and to allow for grass to be mowed. Let the staff know if you need more firewood delivered to your campsite. Do not transport firewood to or from Camp Kikthawenund. Doing so may be illegal and is detrimental to the ecosystems at camp and at your home. Please see the Indiana Department of Natural Resources website (https://www.in.gov/dnr/entomolo/6413.htm for more information on firewood regulations.
SERVICE ANIMALS

Camp Kikthawenund allows service animals in accordance to the rules of the American Disability Act which states, “Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person’s disability. “Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.” (and are not allowed in camp). Please see the U.S. Department of Justice, ADA website (https://www.ada.gov/service_animals_2010.htm) for more information.

WHO RUNS CAMP KIKTHAWENUND?
Camp Kikthawenund operates year-round serving youth of all ages with dedicated professionals with the Boy Scouts of America. During the summer, Camp Kikthawenund is focused on providing safe, age appropriate activities for Cub Scouts who have recently completed the Wolf or Bear rank and their families. With a combined total of over 50 years of youth development and camp experience, our summertime camp leadership team is prepared to look after your child. All members of our camp leadership team were trained at a BSA National Camping School.

WHAT SORT OF ACTIVITIES WILL I DO WITH MY CHILD?
You will do all sorts of fun age appropriate activities with your child, including archery, swimming, hiking, STEM activities, and making new friends. You should know that while we do all sorts of events at Camp Kikthawenund the activities are not the most important part. The most important part is that your child will be able to challenge themselves in a safe and supportive environment surrounded by well trained staff and with your support. Sometimes that means your child will be uncomfortable meeting a new friend or trying a new activity. It is through camp that your child will grow and learn how to face new challenges.

WHAT IF MY CHILD GETS HOMESICK?
Even during family camp children get homesick. When this happens, our staff who are all trained in working with homesick youth will be there to support them. When needed our leadership team and medical team have further training and years of experience. In our years of service, we have found its best not to let your homesick child call home to talk to the person they are missing. While this might seem counterintuitive it is the right thing to do. In general, the best thing for a homesick camper is not to call home but to get the camper busy doing fun activities. A camper that calls home almost always goes home, and we do not want your son or daughter to miss out on the life change experience camp can offer. Fortunately at family camp homesickness is rare because children are attending with a family member.

CAN YOU ACCOMMODATE DIETARY RESTRICTIONS?
Yes, at Camp Kikthawenund we are able to accommodate many dietary restrictions. We ask that all dietary restrictions are communicated to us by entering them in the dietary accommodation section of your online registration. For more specialized diets our food service provider may want to speak with you before camp to ensure that we are prepared for your arrival and if necessary create a customized plan for your needs. In rare cases that may mean asking you to provided specialty foods for select meals.
WHAT IF I NEED TO GET IN CONTACT WITH MY CHILD?
Should you need to contact your child please call the camp office phone number at 317.546.6031. Generally, this phone is answer during the hours of 8:00am to 6:00pm. However, during peak arrival, departed, and other busy times answers can be delayed.

CAN CAMP KIKTHAWENUND ACCOMMODATE MY CHILD’S MEDICATION OR OTHER SPECIAL NEEDS?
Camp Kikthawenund employs a qualified and dedicated health officer who is on duty and on property during all program times. The Health Lodge is already prepared for routine medical needs including dispensing medications. Camp Kikthawenund has golf carts available for participants who have mobility issues. If there are additional special needs, please call us to determine if we can host your child.

WHAT IF MY CHILD GETS INJURED?
Camp Kikthawenund employs a qualified and dedicated health officer who is on duty and on property during all program times. The Health Lodge is located near the campsite for routine medical needs. While we strive to prevent all accidents, we recognize that injuries will occur, and our staff is trained and equipped to responded. Most injuries are simple scrapes and bruises and are cared for in the program areas by the trained program staff. However sometimes they need a bit more care and are treated in our health lodge, if this happens you will be notified. If an emergency occurs, please know that we are prepared. In addition to our health officer, our staff is trained in first aid and CPR. If necessarily and should an adult family member not be available, two trained staff members will accompany your child to a nearby medical facility. When possible, the camp director will make every effort to contact you before transporting your child. Though we will not delay care when immediate care is warranted.

WHAT HAPPENS IF THERE IS BAD WEATHER?
Indiana summer weather can be very accommodating or very unaccommodating. The leadership team tracks the weather for possible concerns be that storms, lightning, or high temperatures. Some programs can continue as normal during rain while others cannot. You and your child should be prepared to continue during rain. In the cases of severe rain, we will close programs and move activities indoors as appropriate. In cases of Severe Thunderstorms or Tornadoes all participants and staff will be sheltered in preapproved safe locations. In the case of severe heat, we activate our hot weather emergency plans. Depending on the heat indexes we may cancel or substitute activities. We will take all necessary actions to ensure the safety of your child during severe weather.
