**Electronic Instructions for Eagle Service Project Proposals**

During the pandemic essential travel only request, we are switching to on-line submission of Eagle service project proposals and rank applications/workbooks, as well as video board of reviews. If the Scout or the unit leadership does not have the ability to scan and email the needed documentation, an appointment for dropping it off can be made via [160eagle@crossroadsbsa.org](mailto:160eagle@crossroadsbsa.org) or by calling your local office. Email is the best option, as calling will probably require you to leave a message.

***When making an appointment: leave the Scout’s name, district, unit type and number.***

**Instructions for Eagle Project Proposal**

Scan the cover page of the proposal workbook. Make sure the district is listed on the cover page. Scan only the additional pages on which the Scout has added information.

Note: If fund raising is intended, please scan that page and email it to your district executive for council approval before beginning the fund raising.

**Email the above scanned documentations to your district Eagle representative listed below:**

If you do not know your district, please email [160eagle@crossroadsbsa.org](mailto:160eagle@crossroadsbsa.org) and provide your name and unit number and we will email your district name to you.

***************************************************************************

Do not submit Eagle rank application packages to the above.

They must be approved at the council level before going to the district eagle chairs.
