

**STEM
BASED**

Crossroads of America Council's
**Boy Scout & Venturing
Travel Camp**

October 13-17, 2014

Registration opens August 1, 2014
Register early - space limited to 100 youth!

Join us for a week of fun and adventure!

Scouts will spend each day participating in hands-on activities. Most days Scouts will travel throughout Indianapolis to a new location at a community partner to participate in a unique and exciting STEM-based activity.

Established partners include:

- Indiana State Fairgrounds
- Indiana State Museum
- Microsoft
- More partners to be announced!

Drop off from 8-9 AM and pick up from 4-6 PM at our "homebase" the Indiana State Fairgrounds.

Camp staff to provide required leadership.

**Early Bird fee (by Sept. 26) - \$225
Full fee - \$250**

More information available at
<http://www.crossroadsbsa.org/Activities.aspx>

Activity Examples

- Computer science
- CSI activity
- Water quality
- Farm to Pizza - Learn about the origins of your favorite food as you create your own pizza!
- Exploring biotechnology
- The science and physics of ice and the sports we play on it
- Oregon Trail Live experience
