Crossroads of America Council boasts three council offices and seven camp properties. Several of our properties and facilities are available to rent by all groups, organizations and individuals. From primitive campsites to modern cabins to meeting rooms, our properties have all types of facilities to meet any group’s needs. While you may think of Boy Scout camp as a location for a weekend campout, our properties also routinely host community service group meetings, business conferences, parties and weddings.

For questions about facility rental, please contact our office at rentals@crossroadsbsa.org or by phone at (317) 813-7096.

To check availability or make a reservation, please visit http://www.crossroadsbsa.org/101.

Testimonials

“Camp Belzer has a whole lot to offer... not only to Scouts, but just about everyone. You can rent the cabins for very reasonable rates. They hold weddings, meetings, etc. there. It is a beautiful facility and gives those who camp there memories for a lifetime.”

- Jeff W., 2016

“Beautiful dining hall with well equipped kitchen. Staff was helpful and easy to reach. They were very flexible and allowed ample time for set-up and clean-up.”

- Tipton wedding guest, 2014
“What a great facility! The dining hall is beautiful and the shower building is the nicest and cleanest I can remember having used at any campground.”

- Brent S., 2016

“Great facility. I have spent time in the dining hall, the Inlow Aquatics Center, and several of the “apartments”. The rangers were friendly too.”

- Carol Z., 2015
