Crossroads of America Council

Good Luck Tom!

By: Tom James

It is with mixed emotions that I write you this article. I was offered a promotion to become the new Council Program Director for the Black Swamp Area Council in Findlay, Ohio, which I accepted.

The past 2.5 years serving as your DE have been an amazing experience, and I will miss getting to work with you all. I truly believe that Sugar Creek is one of the best Districts in this big Council, and that is because of each of you. I could not have done this job without your support. Thank you very much

Feast of the Hunters Moon

By: Richard Vogler

Boy Scouts from Troop 318 participated in The Feast of the Hunters' Moon this past weekend, October 2-4, 2015. The Feast is a re-creation of the annual fall gathering of the French and Native Americans which took place Fort Ouiatenon, a fur-trading outpost in the mid-1700s. It is held annually in early autumn on the banks of the Wabash River, four miles southwest of West Lafayette, Indiana.

Thousands of participants re-enact this event creating a feast for your senses. Smell the wood smoke, hear the report of the rifles, savor authentic food and more. The Troop sells food as a fundraiser to help support the many scouting events and activities planned for the year.

Boy Scouts of America offers a challenging and fun program for boys who are older than 10, or who have completed the fifth grade. Boy Scouts and Venturers learn leadership tools and skills and apply them within the Scouting context, so that they can in turn carry those forward into their troop/crew and other aspects of life such as school, family, church, and future profession. To learn more about Boy Scouts you can contact Richard Vogler by calling or text at [765-918-1204](tel:765-918-1204).

Good Turn for Goodwill

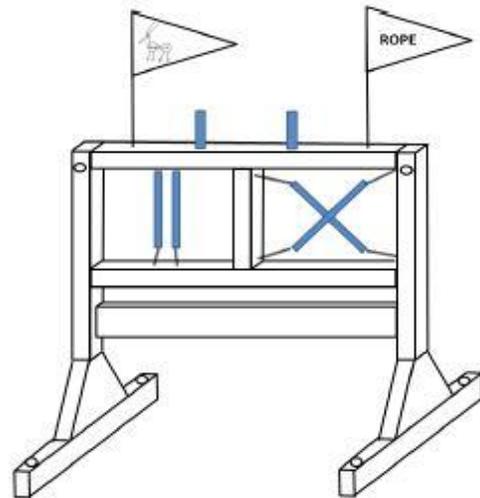

INDIANAPOLIS – Central Indiana residents with clothes, toys, housewares or other items to donate can count on an assist from their local Boy Scouts and Girl Scouts, who are collecting donations for Goodwill this fall.

From October 12 to November 15, participants from Crossroads of America Council, BSA and Girl Scouts of Central Indiana will collect items and bring them to any of Goodwill's more than 50 stores and donation centers. Last year, about 3,000 Scouts participated, collecting about 44,000 pounds of donations. The Good Turn for Goodwill service project was inspired by Boy Scout Troop 199 of Fishers, which first held a Goodwill donation drive in 2011.

Commissioner's Minute

By: William Turner

Thank you to all the units that submitted their charter renewal packets last month! The submission night appears to have been a success again this year, at least in two of the counties. Most of the commissioners in the district gave their time to man the three collection points. We already have most of the charter packets in hand, and each unit was in and out even more quickly than last year. We still have several charter packets to collect, and many youth protection trainings and other pieces to make the packets we have complete, but it is a great start. Thank you!

All remaining recharter pieces are due to the council office by the end of the month. However, because of our change in district executives, it would be very wise to submit everything by the November roundtable. Also remember to submit your unit's Journey to Excellence (JTE) forms with your charter renewal packet, even if the unit does not qualify for an award. These forms can help you see how you might work to improve your unit next year. The award is really designed to be used year-round to help improve your unit's performance, not just as a set of check boxes to fill in at the end of the year, and the 2016 scoresheets are already available on the national website.

Last month also saw both county roundtables and our fall camporee. Unfortunately, attendance was lower at both than we would have liked. We will try the county roundtables again in December. Please plan to attend!

The New Year will see the Klondike Derby in February, the district dinner and Pinewood Derby in March, and the Cub Olympics and Spring Camporee in April.

Finally, thank you to Tom James for serving as our district executive for two and a half years. Good luck in your new position in Ohio. You will be missed.

Remember, the commissioner corps is here to help the units serve the scouts. If you need our help with something, or have any ideas on what we can do to improve roundtables and our service to individual units, please let me or one of my commissioners know. We are here to serve you!

Yours in Unit Service,
William Turner
District Commissioner, Sugar Creek District
