Those who volunteer for a shift will receive a complementary Indiana State Fair admission ticket that will be mailed to the address provided during registration. If you register within two days of your assigned shift, you are responsible for your admission into the Indiana State Fair.

You will be involved in the assistance of set up or teardown of Basecamp and various stations for your assigned shift. All shifts are six hours in length.

A confirmation email will be sent to the email provided during registration, two days prior to your registered shift. Should you be unable to fulfill your volunteer obligation, please find another volunteer to fill your role and update your registration accordingly.

Help is Needed for future Camporees

With the death of Chuck Prass, Sugar Creeks' long-time activities chair, as well as the loss of Tom James and Paul Rusk, the district fell behind in scheduling events. Bob Vernon, Dana Harrison, and David Hovde have formed a district activities committee to replace Chuck. The district committee has now established a calendar of district events for the next two years. With this in hand the district activities committee is now actively seeking adult leaders to step up and chair one of these events.

We need a leader for the Klondike Derby as soon as possible!!!!

Commissioner's Corner

By: William Turner

School is out, and summer is here! We had a good year of roundtables, camporees, and other events. Thank you to everyone who came to the Ideal Year of Scouting Event. Unfortunately, our roundtable attendance at the IYOS event at the scout shop was our lowest attendance since I became district commissioner. I hope all units have fun plans for the summer. I personally look forward to Cub Scout day camp again this summer.

The commissioner corps is meeting soon to plan for the coming year. Among other things, we will decide whether to continue with the four county roundtables in the next year. Please let me or any of my commissioner staff know of any comments or suggestions you have. Similarly, let me or the district committee know if you have any suggestions for district events.

Remember, the commissioner corps is here to help the units serve the scouts. If you need our help with something, or have any ideas on what we can do to improve roundtables and our service to individual units, please let me or one of my commissioners know. We are here to serve you!

We are also always looking for new commissioners. If you are interested in talking about it, or if you have someone else you would like to recommend, please let me know.

.....

Yours in Unit Service,
William Turner
