

## **SCOUTING FOR FOOD SERVICE PROJECT**

**March 21 in Del-Mi District  
9:00 am – noon**

### **Why should we help with this project?**

The Boy Scouts of America have identified hunger as one of the five “Unacceptables.” In Hamilton County alone, our church and township pantries serve 26,000 people. **This is the only red county in the state (there is not enough food available for the families in need.)** These people in need count on our food. All the food collected by **Scouting for Food** in Hamilton County will be sorted, boxed and shipped on the same day to pantries **in Hamilton County**. Because you are a **Scout**, you should help with **Scouting for Food**. If you cannot participate on March 21, please contact Joanne Burfeind ([joanneburfeind@indy.rr.com](mailto:joanneburfeind@indy.rr.com)) for/with an alternate plan.

### **What to do:**

- Canvass your assigned neighborhood (either one-step (all in one day), or 2 step: leave flyers or bags with dated sticker and then pick up on that date)
- Knock on the door and ask if they would like to contribute canned or packaged goods to Scouting for Food for needy families in Hamilton County

### **Rules:**

- Work with a Buddy
- Wear your uniform
- Be courteous; walk on sidewalks, not lawns
- Thank people, even if they don't donate
- NEVER enter a home
- If someone gives you money, turn it in at the collection site

### **Assignments: Divide your assignment into Buddy areas (streets)**

- \* Noblesville and Fishers, take the food to the Good Samaritan Network warehouse, 12933 Parkside Dr., Fishers (warehouse in back of building)
- \* Carmel and Westfield take the food to the Fire Station at 136<sup>th</sup> & Springmill
- \* Sign in, list how many hours you worked
- \* If you have a problem with the March 21 date, contact Joanne Burfeind to make an alternate plan. [joanneburfeind@indy.rr.com](mailto:joanneburfeind@indy.rr.com)
