Center Point, Indiana 47840

16 Kayaks and trailer are available for rental at:

### Camp Belzer

6102 Boy Scout Road  
Indianapolis, IN 46226

## Canoe Rental Procedure

1. The Voyageur Trained Instructor will pay for canoes or other equipment when making a reservation at the Council Customer Services counter. This **MUST** be done at least six (6) full working days in advance of the date you wish to pick up the canoes. If the leader later finds that he does not need all the canoes he paid for, the Camp Ranger will issue a credit on the Voyageur Equipment Request application to be used at a later date or on the next requested permit.
2. Trip leaders should inspect all pieces of equipment before taking it away from camp and note any defects.

Upon return of the equipment to camp, **ALL ITEMS ARE TO BE INSPECTED BY THE CAMP RANGER FOR DAMAGE WITH THE TRIP LEADER PRESENT**. A listing of repair cost for damages will be posted so that each leader may see exactly what it will cost if the equipment is lost or damaged.

## Definition of Per Day for Canoe Rentals

Canoes may be picked up for out of camp use from the Camp Ranger after 4:00pm the day before usage with no additional charge. Canoes are to be returned before 12:00pm (noon) on the day following usage with no additional charge.
