MANTÉNGANSE ATENTOS PARA MÁS DIVERSIÓN

The Crossroads of America Council partners with several community organizations throughout the year to offer Scout units and families discounted and/or "behind the scenes" experiences at attractions and events.

*Not all these events are official BSA or Council events, therefore BSA staff are not required to be present.
The Community Partner is responsible for all event communication to participants and the activities.
Many of these events are also open to the public. Families are welcome to attend events without their Scouting unit.*
